

**Dr. Shahnaz Perveen**, *Director General, Chief Scientific Officer*, PCSIR Laboratories Complex, Karachi, & Chairperson in Council for Works & Housing Research,

She has seven years research experience in Natural Product Chemistry. Four processes have been leased out, developed forty two processes, which are ready for lease. In addition, she has published **three hundred & fifty three (353)** research publications with total impact factor **530.481** and citation index **3978**. Nine national patents and two international patents are in her credit. The blockbuster achievement was to develop standardized ink for stamp pads to use in elections. On eleventh hour the formulation was prepared, and manufactured (Patent No. 142431 dated:25-5-2017). She successfully completed PSDP Project “Establishment of Patent Advisory Cell” as a *Project Director* funded by MoST. The purpose of this project was to develop the culture and awareness of Intellectual Property Rights in the country.

### **HONORS & AWARDS**

- Awarded **PAS Gold Medal 2020** in the field of Chemical & Pharmaceutical Sciences by Pakistan Academy of Sciences.
- Received *Tamgha-i-Imtiaz* from his Excellency, President of Islamic Republic of Pakistan on **23<sup>rd</sup> March, 2020**.
- Recipient of Research Productivity Award (**RPA**) from Pakistan Council for Science & Technology (**PCST**) since **2001-2002 to 2017**.
- Dr. Shahnaz Perveen is the only scientist from PCSIR who had got **RPA & PSP** since 2002 from Pakistan Council for Science & Technology (**PCST**).
- Awarded **DAAD** Scholarship 2006 and 2010-11 & has got **top position** for the year **2006**.
- Pakistan Science Foundation (PSF) awarded as **Active Scientist & Technologist of Pakistan 2005**.
- Received XV<sup>th</sup> Star Laureate Award **2004**.
- Certificate of Merit is awarded by PAF College Masroor, **2000**.
- Merit Scholarship in F. Sc. for **two** years.
- First divisions throughout the career.
- Fellow & Life member of the Chemical Society of Pakistan.
- Fellow & National Representative of IUPAC for Human Health Division VII in **2014-15**.
